Dear Parent,

Your child has completed the STAR reading assessment and has been given a book based on the results of this assessment.

The Accelerated Reader programme is a highly motivational scheme which tests the child's reading comprehension, therefore instead of reading a book and placing it back on the shelf, they complete an online quiz. The feedback from the quiz is relayed to you via email, as long as you have signed up to Home Connect (please see attached letter).

At Ellesmere College we put a real emphasis on reading and ask that you read each night with your child to support the work we do in school. For new pupils, it may seem that the book they have been given is a little easy compared to the one from their previous school, however we want them to become accustomed to the Accelerated Reader programme and achieve lots of success with their quizzes!

Many thanks in anticipation of your support.

Kind regards,

Ellesmere College, Ellesmere, Shropshire SY12 9AB
