Please ensure that you complete the Donation Form as well as this Standing Order Mandate. Thank you.

#### **Donations**

## **Making a Donation**

A cheque made payable to Ellesmere College for any amount will be received with gratitude. However if you are a UK taxpayer, please help us by completing the Donation/Gift Aid Form too.

#### Gift Aid

Donors can make payments, large or small, regular or one-off to the College under Gift Aid. The donor simply provides a declaration, which should be in writing or an email. The declaration requires the individual to confirm that they will pay an amount of income tax or capital gains tax equal to the tax that the College claims back on their donation.

Gift Aid allows the College to reclaim the basic rate tax (currently 20%) on the gross donation. This means that the donation is worth an extra 25% to the charity e.g. a donation of £100 is worth £125 to the College.

A Gift Aid/Donation Form is available from: The Development Office, Ellesmere College, Ellesmere, Shropshire, SY12 9AB Or can be downloaded from the College website

## **Paying by Standing Order**

If you would prefer, you can spread your donation by completing this Standing Order Form.

# Other Forms of Giving

## **Payroll Giving**

Payroll giving provides tax relief at source for donors who give to the College by direct deduction from their pay. The employer must be registered with an Inland Revenue approved Payroll Giving Agency. Once a donor has signed up to the scheme, the employer simply deducts the relevant amount form their pay before deducting tax under PAYE and sends the payment to the agency. The agency then distributes the amount to the College and any other charities selected by the individual. For example, if an employee pledges £50, a basic rate tax (currently 20%) amount of £10 is subtracted making the actual cost to the employee just £40.

#### Gifts of Stocks and Shares

Individuals and companies who give certain shares and securities to charity can obtain considerable savings on income tax and capital gains tax.

# **Corporate Giving**

Companies can make one-off donations to the College or spread the amount over a period of time. The donation is paid to the College as a gross sum and the company claims tax relief against their corporation tax.

It is always advisable to seek independent advice on matters of personal tax from your financial adviser.
