

Ellesmere National Art Exhibition

The [Ellesmere National Online Art Exhibition](#) is now LIVE!

Sadly, due to current Government guidelines, we are unable to hold our annual exhibition at the College this year so have created a platform where you can view and buy our usual high standard of artwork from the comfort of your own home, giving artists the opportunity to showcase their work to a broader audience in a time where it has been difficult for them to sell.

Celebrating its ninth year, [The Ellesmere National Art Exhibition](#) has been extended to take place over six weeks rather than its usual five days, giving you lots of opportunity to browse through our artist's pages. It will run from Tuesday 1st June through to Sunday 11th July with artwork being updated throughout the six weeks.

This year we have plenty in store for everyone, with a curated collection of British and international artists showcasing over two hundred and fifty pieces of art, including Paintings, Drawings, Linocut prints and Mixed Media artwork. Each artist has their own page displaying the pieces they have for sale.

All proceeds from the exhibition will help to fund Art Scholarships for local talented students to study Art through Sixth Form. This offers the opportunity of an Ellesmere education to local children who may not be able to access it without some financial assistance.

Please take a look through the artwork available and share with family and friends:
