5th April 2019

Dear Parent,

I would like to invite your son/daughter to attend the summer Junior Development Centres (JDCs). These are local training centres organised by England Hockey for children aged 10-15 who would like to develop their skills beyond school and club hockey or have aspirations of playing hockey for their county. After playing for a club or school, attending a JDC is the next step in a player's development and the first step towards international representation.

This summer our local JDC will either be at Ellesmere College or Oswestry School. If at Oswestry school transport to JDC training will be provided. A school minibus and member of staff will depart Ellesmere College at 5:15pm each Wednesday and return to school at approximately 8:30pm. Places on the minibus are limited, so will be awarded on a first come first serve basis.

More detailed information about the Shropshire JDCs is attached with this letter. If you have not done so already, you will need to register with England Hockey at www.ehbplayersystem.co.uk. Where possible this should be done before the first session. Additional information can also be found at www.englishockey.co.uk

If you would like your son/daughter to attend and to book a place on the minibus please email me at kerry.marshall@ellesmere.com

Yours sincerely

Ellesmere College, Ellesmere, Shropshire SY12 9AB
