Dear Parent,

### **The 2022 Leavers' Gift**

For several years now there has been a tradition of students and their families contributing to a Leavers' Gift. During their College years, students will have seen beautiful sculptures added to the grounds. These include a series of glass art, designed and created by local artist Stephanie Brown. This artwork fills panels of glass in the Cloisters, adjacent to Big School. The work was completed at the end of 2019; the old metal frames being replaced with oak. They look incredible and are a fitting reminder of our past students.

The College would like to continue this tradition by commissioning a piece of work to mark this final year in a relevant and lasting way. The piece will reflect some extraordinary times and the challenging situations our 2022 leavers have come through.

If you wish to donate to the 2022 Leavers' Gift you need do nothing more than allow the College to retain £100 from your initial deposit. Of course, you can give more if you wish.

The names of the students whose parents have made this donation will be engraved on a plaque, honouring the donors to the 2022 Leavers' Gift. This will be a permanent reminder for them and future generations of their time at Ellesmere College.

I appreciate that, for many, these are difficult times and the impact of the pandemic may mean that a donation is simply not feasible. Nevertheless, I want to give the leavers of 2022 this opportunity to contribute during their last year at Ellesmere. If you prefer not to participate simply inform us by returning the enclosed form.

I want to take this opportunity, on behalf of everyone at Ellesmere, to wish all our leaving students a happy and successful future, whether this is at College, the world of work or whatever they have chosen to do.

Thank you for your continued support and we hope to see you all again at future events.

With all good wishes
