Dear Parent,

The Royal Life Saving Society UK's (RLSS UK) NPLQ is the most awarded lifeguard qualification in the UK and Ireland and is also internationally recognised. More than 46,000 pool lifeguards qualify with the RLSS UK course every year, and there are currently more than 90,000 pool lifeguards qualified in the NPLQ – 95% of all UK pool lifeguards.

We are delighted to tell you we are hosting the National Pool Lifeguard Qualification over a period of three weekends, and we have the opportunity for a number of subsidised places for students, details are attached.

In addition to being a lifesaving skill the successful completion of the course is also worth 8 UCAS points.

Kind regards,

Ellesmere College, Ellesmere, Shropshire SY12 9AB
