

Ellesmere College Swimming Academy Report November 2022 Short Course Regionals 2022

28 members of the ECSA (Ellesmere College Swimming Academy) descended onto Harvey Hadden Sports Centre in Nottingham for this year's Short Course Regional Championships. The competition took place on the 5th and 6th November, with two heats sessions followed by a final's session each day.

It was our first competition of the season and the Swimming Academy really stepped up to the challenge. We saw athletes from our Youth and Senior Performance squads' race, each athlete took on board information from their pre and post-race chat with their respective squad coach. We will continue to build on our process goals as we move through the training cycle, culminating in our target meet at the beginning of December.
