Sharing your Share Code

View and prove your immigration status

If you have been told you can view your immigration status online you can use this service to:

- get a 'share code' to prove your status to others, for example employers
- update personal details in your UK Visas and Immigration account, for example your passport number or email address
- check what rights you have in the UK, for example the right to work, rent or claim benefits

Who can use this service

You can use this service if you:

- have settled or pre-settled status
- applied for a visa and used the 'UK Immigration: ID Check' app to scan your identity document on your phone

You cannot use this service if you have a vignette in your passport or a biometric residence permit to prove your immigration status.

View or prove your immigration status

You'll need:

- details of the identity document you used when you applied (your passport, national identity card, or biometric residence card or permit)
- your date of birth
- access to the mobile number or email address you used when you applied - you'll be sent a code for logging in
