

# Pupil Notice – Pupil Medical Scheme

## Who are we and why we need your information

We are a company called Marsh Ltd. We work with your parents/guardians and your school to put insurance in place for your benefit. This insurance is designed to provide assistance if you are injured at school. In order to do this, we will use information about you such as your name and date of birth. We will use your information to put in place this insurance and to deal with complaints.

When we make decisions about how your information is used, we are a data controller. We will only use your information when we are allowed to. This might be because we have a legal obligation, we have a business need, we need to provide our insurance services.

Sometimes we may need to rely on “consent” (your or your parents’/guardians’ agreement) to use your information. Where we need this agreement to use your information, we will make it clear and the consent can be given by your parents/guardians or you, if you are over 13. If you provide consent and later change your mind, you can tell us at any time by emailing us at: [termly.schemes@marsh.com](mailto:termly.schemes@marsh.com). If you do change your mind it may mean that we (and insurers) are unable to help you with any questions you have about the insurance and/or it may end the insurance. If you do change your mind, we will explain what this means to you at the time.
