11th September 2019

Dear Parents,

Geography – Restless Earth Workshop

On Wednesday 16th October the Geography Department have arranged for Year 9 students to take part in a Restless Earth Workshop. This activity will support the work we are currently completing in the classroom.

The Restless Earth Workshop is a disaster relief-mapping Workshop, looking specifically at the Japanese earthquake, tsunami, and nuclear disaster of 2011. The Workshop will take approximately two hours, focusing on cartographic practices, geography and team work. As this event is being provided by an outside agency the cost for each student will be £7 which will be added to the end of term account.

Should you require any further information, please do not hesitate to contact me at your convenience.

Yours sincerely,

R. Waddams.
