Dear Parent,

Lower School will be going on expeditions from Tuesday 27th June. This will hopefully be an enjoyable experience for all. Please see the grid below for information about where your child will be visiting and what sort of clothing to wear. Pocket money is allowed but must remain the responsibility of the child throughout the trip. A small bag that can be carried on their back, like a school bag, is needed as we will be providing lunch that they will have to carry. A water-bottle will be required and pupils may bring extra snacks if they wish. It might also be a good idea for them to have their own small hand sanitiser so they can use it as they need to. Sun-screen and a hat are also sensible pieces of kit if the weather is good. If you have any queries, please contact the Lower School secretary.

Specific information for Chill Factor:

Pupils must have a pair of gloves that will be suitable for use in the snow – entry will not be allowed without them. Gloves can be bought at the venue for around £8. Please inform School if your child will require a pair so that we can let them know in advance. Pupils should bring a kit bag with them to carry their snow clothes inside. They may come dressed in sports wear appropriate for use on the climbing wall as this is one of the three activities they will be doing – trainers required. Thick trousers, layers, waterproof coat, thick socks and a jumper are all appropriate for the two snow-based activities they will be doing. Helmets, boots and skis will be provided. If you have any queries or problems, again please get in touch with the Lower School secretary.

Yours sincerely,

S E Morgan
