5th May 2021

Dear Parent,

I write to inform you that after half term all students in Year 12 will have summer term school examinations on the week commencing 14th June 2021. The schedule is outlined below and during that week students will have revision time when not involved in an examination. Students following the BTEC course will attend lessons in the usual way, but those doing an A level with BTEC may have the morning or afternoon before the school exam for revision during the exam week.

Teachers will brief their students on what topics will be in the school exam paper and do revision with them in lessons the week before. In addition to that I expect students to use the half term to revise.

I appreciate that students in Year 12 did not experience formal examinations at the end of Year 11 so this will be an opportunity to have a formal examination experience and that might feel somewhat daunting. It is my hope that this advance notice provides your daughter/son plenty of time to consolidate their learning and liaise with their teachers in order for them to be able to manage this experience with some success.
