12<sup>th</sup> August 2020

Dear Parent,

Many pupils may require a mouthguard to take part in contact sports at some point throughout the school year, specifically rugby and hockey.

The school's suggested supplier in this regard is Titan Mouthguards who offer all forms of provision from the top protective standard of bespoke school style mouthguards, (custom fitted via Video Call Fitting Appointment), down to very basic boil & bite style Mouthguards. Prices are considerably more competitive than similar services with added benefits such as discounts on replacements, dental casts retained for future years and free delivery site wide.

The following link can be used to browse Titan's mouthguard options:

<https://titanmouthguards.com/product/ellesmere-college-special-edition/>

This year we will not be running the usual fitting sessions at school but Titan can deliver the same service via their custom fit video sessions as detailed on their site.

Yours sincerely

Ellesmere College, Ellesmere, Shropshire SY12 9AB
