16<sup>th</sup> January 2024

Dear Parent,

## **Academic Options at Ellesmere College: Years 9 to 10**

It may seem rather early to be writing to you about the course of study your child will be following in September 2024, but I am raising the topic so you may discuss the matter over the coming weeks.

The curriculum consists of core subjects for all pupils in Year 10: English Language, English Literature and Mathematics. Pupils will usually study two or three sciences from Biology, Chemistry, and Physics. All other subjects are options. Support for Learning and English as an Additional Language, as a chargeable extra, will continue to be available. The full details of each subject are available via our website link Middle School Options. When you land on the Middle School page please scroll down to the heading Year 10 Options Information booklet.

Options are chosen online through our 'options online' system, which requires pupils to access their Ellesmere email account to get the link, the details are given below. Please discuss this with your daughter/son to ensure they access the link and together you can choose her/his preferred options for GCSE.

If you have any difficulties with access, please email our Director of ICT [andy.hassard@ellesmere.com](mailto:andy.hassard@ellesmere.com)

### **How to complete options online:**

Pupils will have received an email from 'noreply@sims.co.uk' into their Ellesmere email account. They should login to their Ellesmere email where they will see the email. They are to navigate to the 'Accept Invitation' link in the e-mail and then go through the account activation and login processes shown in the attached guide.

**Please find attached a guide to help navigate the Options On-line process.**

Please ignore other portals that might be listed by the software provider, Capita, as we only use their options portal (we have other suppliers for parents' portal and activities).

Ellesmere College, Ellesmere, Shropshire SY12 9AB

*Registered Charity number 1103049*

*Ellesmere College Ltd is a company, registered in England, no: 5066406*

# Ellesmere

A 7 – 18 Coeducational School

The final date for the completion of the online options is Friday, 1st March 2024. Please ensure that your son/daughter does not delay in submitting their options since it is important that their choices influence decisions about subjects and circuits.

There will be an opportunity for further advice in the Year 9 parents meeting scheduled 30<sup>th</sup> January – online and 9<sup>th</sup> February – In School. Amendments to choices can be made up to the end of March.

Yours sincerely,

Ellesmere College, Ellesmere, Shropshire SY12 9AB
